

SHAPES COLORING BOOK

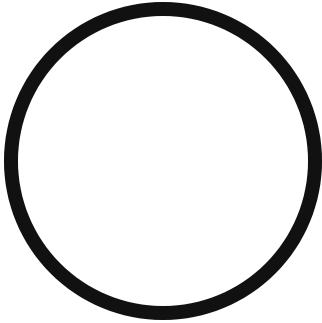

A little book for big shape discoveries

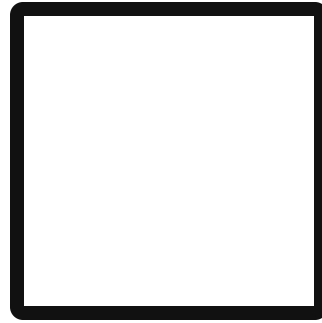

This book belongs to:

MEET THE SHAPES

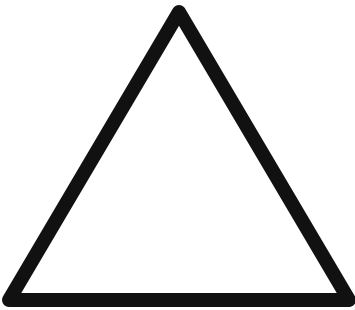

Say the name. Trace it with your finger. Then color it.

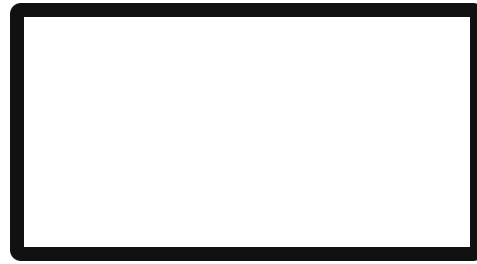

CIRCLE

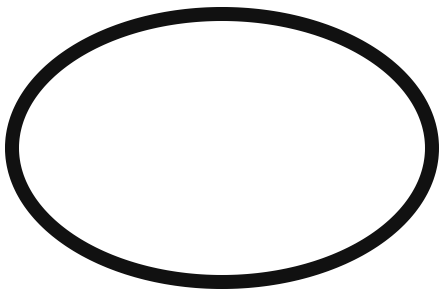

SQUARE

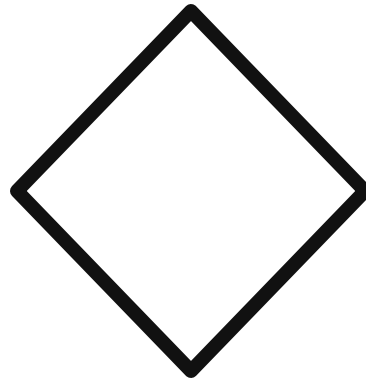

TRIANGLE

RECTANGLE

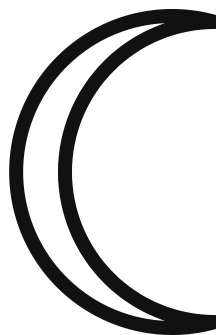

OVAL

DIAMOND

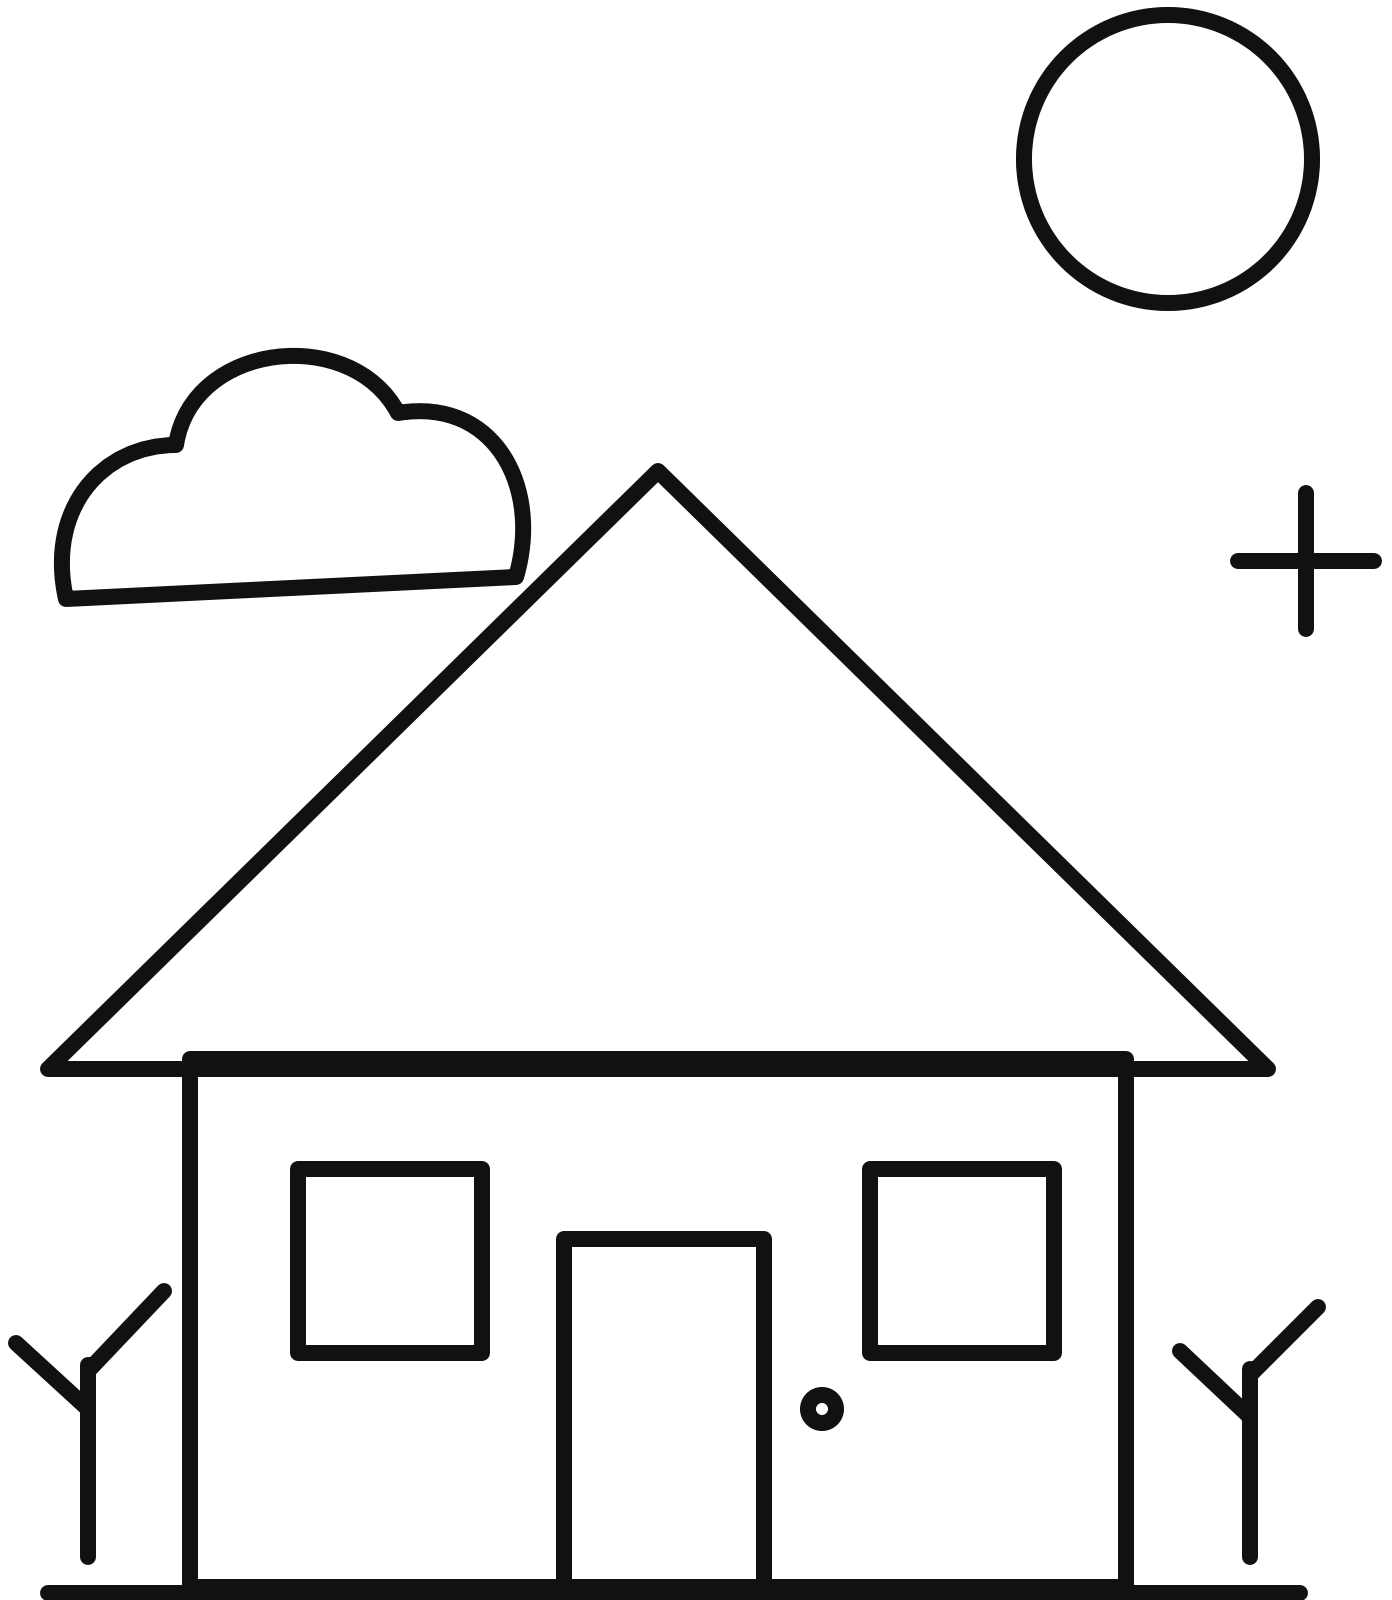

STAR

CRESCENT

A HOUSE MADE OF SHAPES

Find each shape, say its name, and color the picture.

COLOR BY SHAPE

Name each shape. Follow the color key. Then count each kind.

COLOR KEY

Circle = yellow

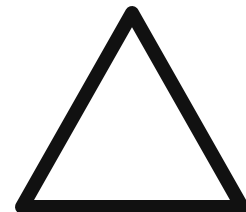

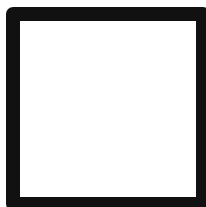

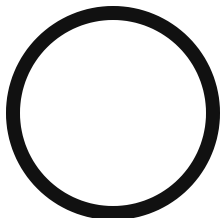

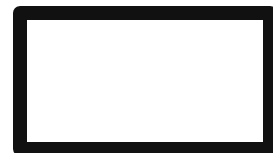

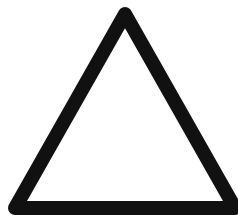

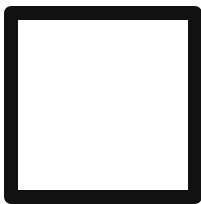

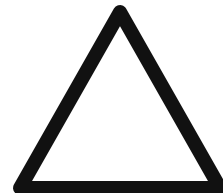

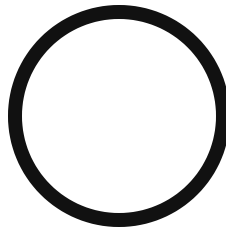

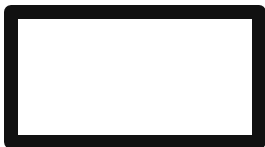

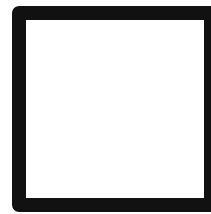

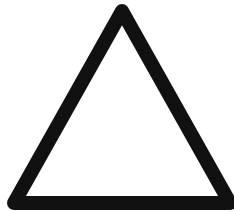

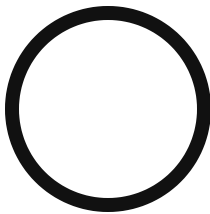

Triangle = blue

Rectangle = green

Square = red

How many circles, triangles, squares, and rectangles did you color?

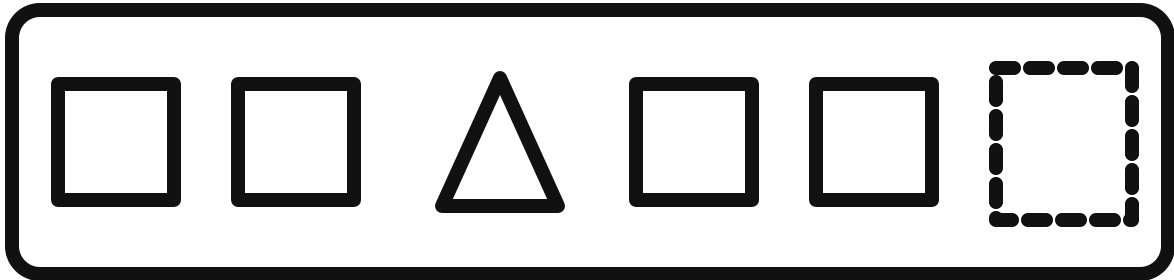

FINISH THE SHAPE PATTERNS

Look for what repeats. Draw the next shape in the empty box.

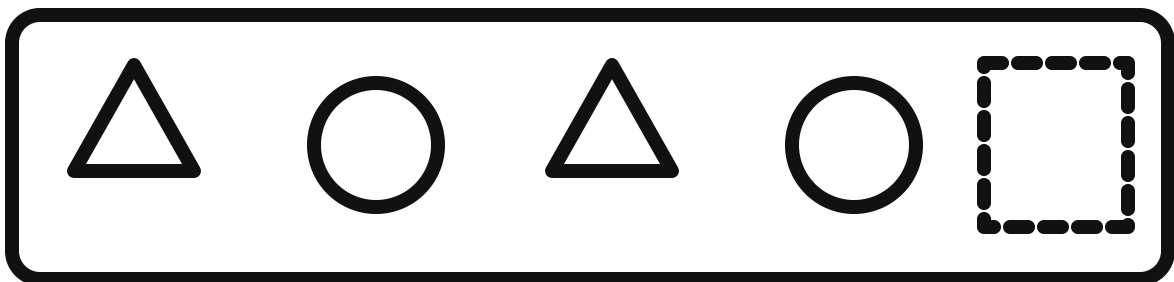

A

B

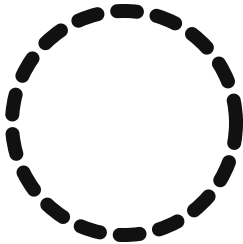

C

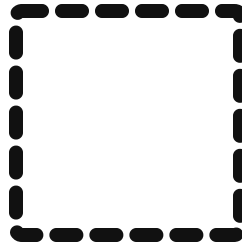

Color the repeated shapes. Can you make a pattern of your own?

TRACE AND DRAW SHAPES

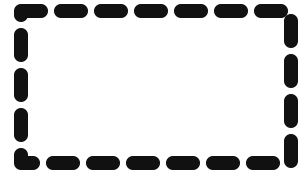

Trace the dotted shape. Draw the same shape in the empty box.

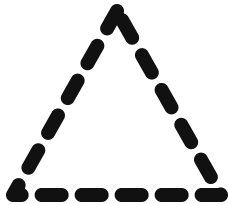

CIRCLE

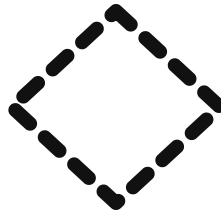

SQUARE

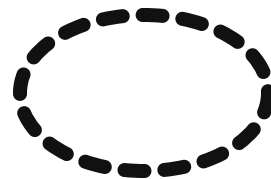

RECTANGLE

TRIANGLE

DIAMOND

OVAL

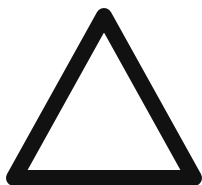

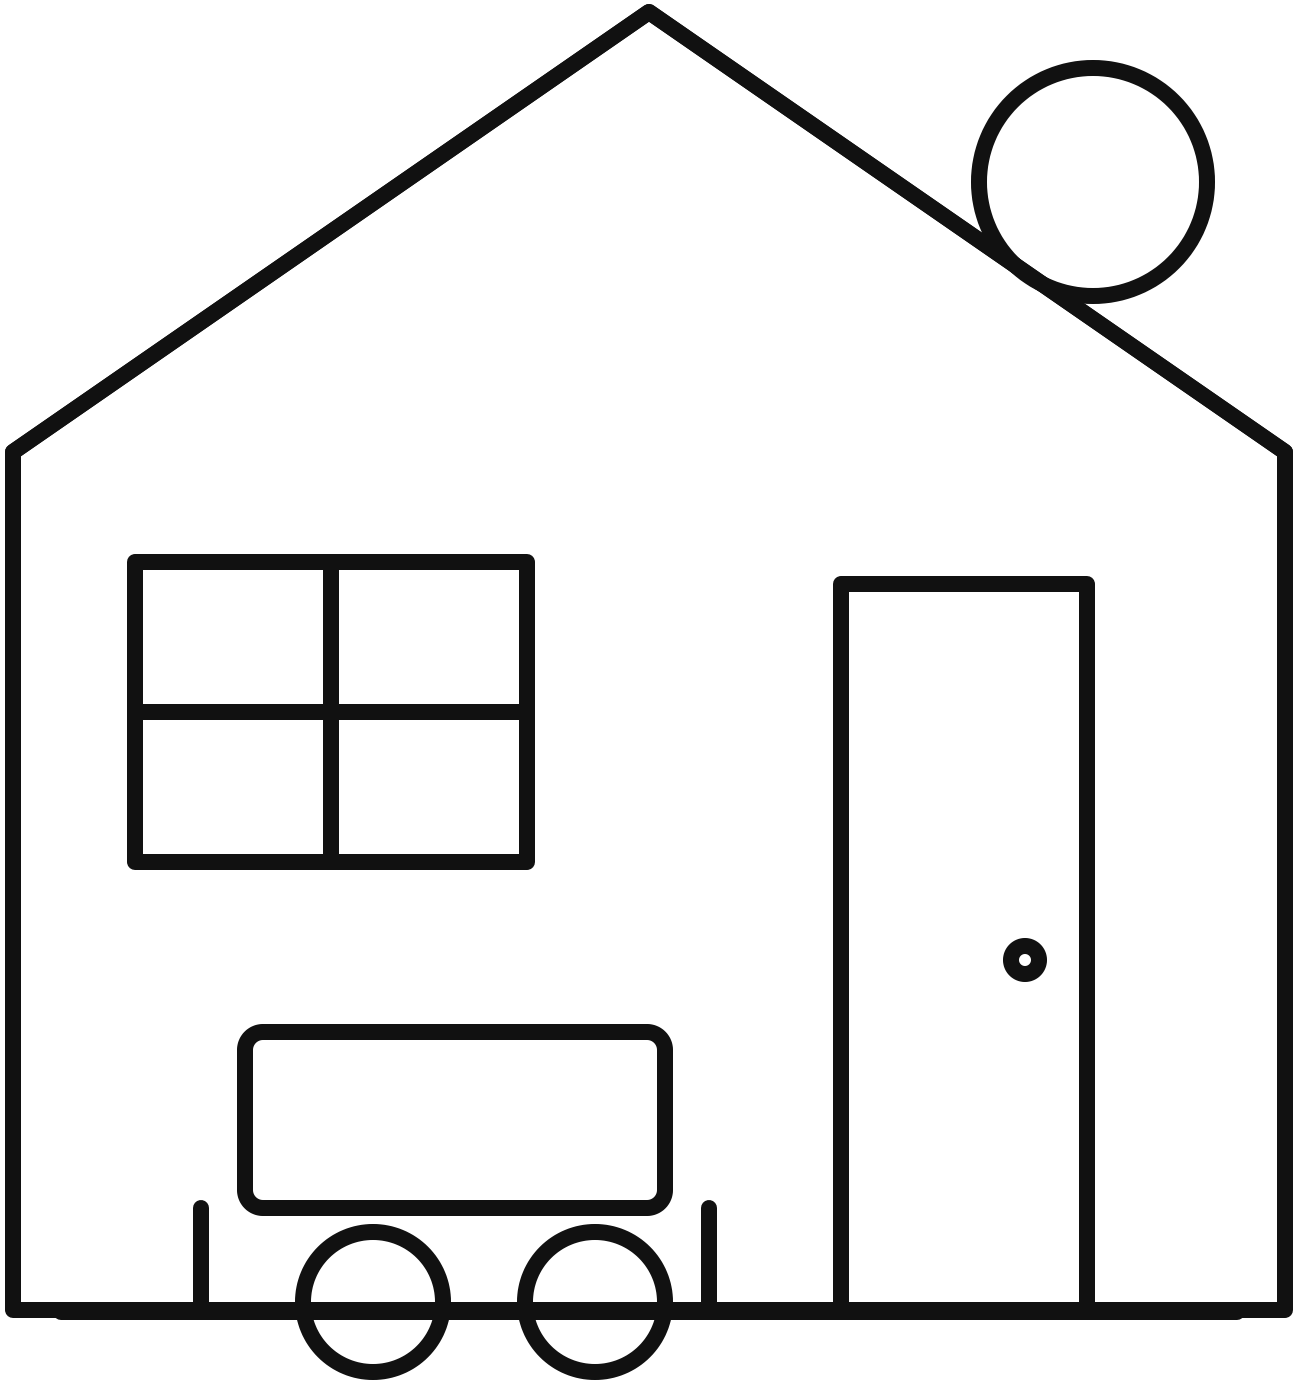

MY SHAPE

A large, empty rectangular box with rounded corners, intended for the child to draw a shape.

Color your drawing and say the shape name.

FIND SHAPES AT HOME

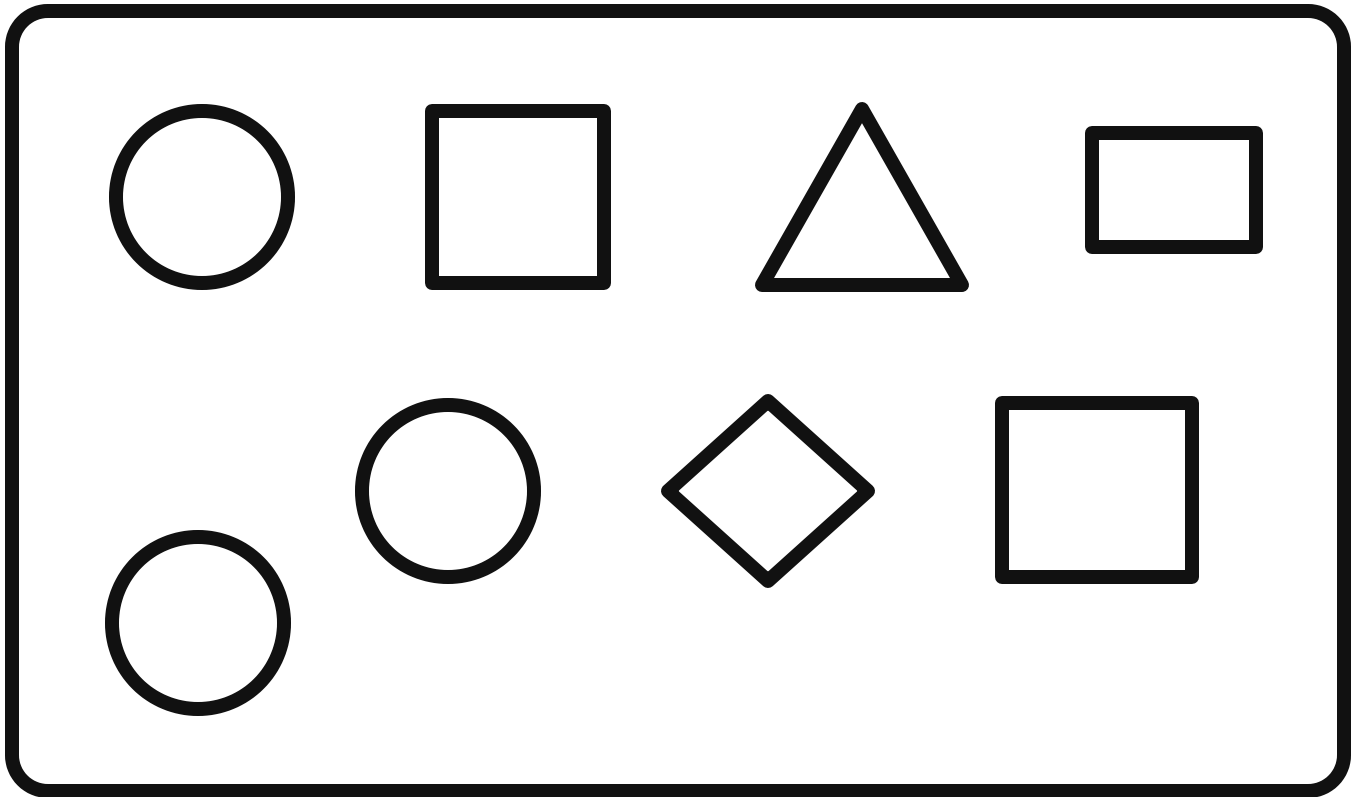

Find a circle, square, triangle, and rectangle. Color each one.

Can you find another shape in your room?

COUNT AND DRAW

Count the shapes above. Then draw each shape below.

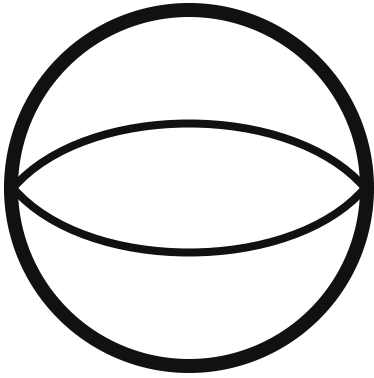

Draw one of each shape in a box:

Circle • square • triangle • rectangle

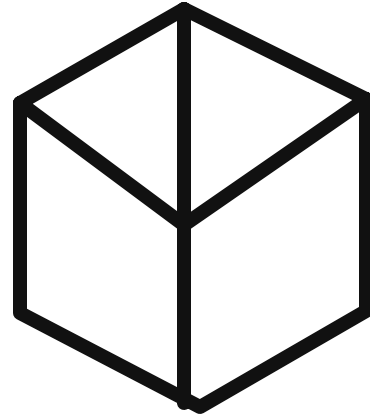

MEET 3D SHAPES

Color each solid shape. Find something at home that looks like it.

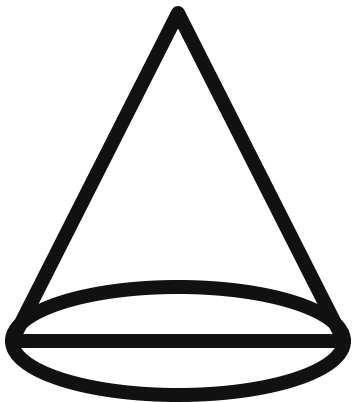

SPHERE

ball

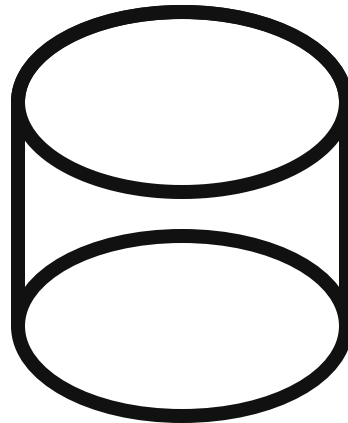

CUBE

toy block

CONE

party hat

CYLINDER

can

A flat shape is 2D. A solid shape is 3D.
